**Use:**

Ventilation system

Assembly:

On circular ducts

Construction:

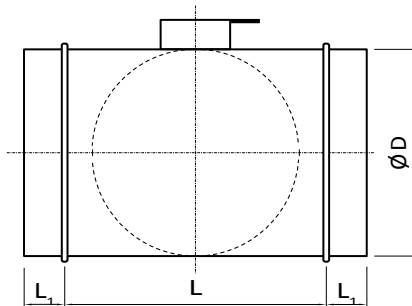

Made of galvanized steel

Material:

Galvanized steel or stainless steel

Air flow regulation:

Regulation handy or it could be prepared for actuator.

Type and dimension marking:

PJO

Products range:

ØD	100	125	160	200	250	315	400	500	630
L	100	125	160	200	250	315	400	500	630
L ₁	45	45	45	45	45	65	65	65	65

Product marking:**PJO-200-S**
